ITS NOT
TOO LATE...

Join the Square Drive Revolution

You'll enjoy the benefits of 4 unique POINTS OF POWER!

- **Faster** – means you don't have to waste time fumbling to engage the drive and stop it wobbling.
- **Less Wobble** with a positive drive – straight on, straight in
- **Aesthetically pleasing** – means it just looks better
- **More Torque** – means you can really screw them down.

Free Driver Tool
included in each
1000 pack

Have you experienced the power of a...

- 50% reduction in drive-in torque
- Allows faster installation
- Reduced operator fatigue
- Extended tool / battery life
- Avoid thread stripping
- Reduce recess damage with lower installation torque

WHIRLWIND SELF TAPPER

- 4 Point Engagement
- Allows Faster Installation
- Avoid Recess Damage With Very Low Installation Torque

STANDARD SELF TAPPER

- 100 % Engagement = More Friction
- Slower Installation
- Thread Stripping Common on Stainless Self Tappers

Whirlwind Phillips Countersunk Self Tapper
